Dear Mr O'Leary,

Re Wootton Strategic Plan

I write on behalf of the Wootton Community Network, to present you a copy of our Strategic Plan. The plan was developed by the community in association with and supported by the NSW Department of State and Regional Development. The workshop was facilitated in October 2008 by Susan Rowe the Community Economic Development Manager for the Hunter and Central Coast of that department.

I hope that in sending you this plan you could ensure it be tabled at the next Council meeting for review and further to that be passed on to the appropriate council staff for consideration our priorities in their future planning.

I sincerely hope that the efforts in formulating this plan will translate into a solid investment in growth that will be favourable to our mutual benefit.

Best regards,
